About Company

Revons International Sdn. Bhd. is a multi-faceted company specializing in the manufacturing, export, and import of high-quality apparel and agricultural products. Our primary focus is on the production of T-shirts and denim pants, as well as the import and export of fresh fruits and vegetables. We are committed to serving both local and international markets, with a strong presence in Malaysia and ambitious plans to expand globally.

We have also ventured into the information technology sector, offering online services through platforms like **Printeeby.com**, **Giftsay.com**, and **Services2u.com.my**. Our operations are driven by a commitment to quality, innovation, and providing valuable services to both local and global customers.

Company History

Revons International Sdn. Bhd. was incorporated on 27th October 2015 as a manufacturer, Importer, Exporter and Wholesaler. We have a strong network in designing, manufacturing and distributing an extensive collection of high quality Product for international market.

Revons International Sdn. Bhd. is a start-up makes/sells fashionable clothing's for men & women of all ages especially for the new generation. It is located in the center of Kuala Lumpur, Malaysia, which is a popular retirement and tourist destination.

The fashion industry tends to be overly youth focused. However, by closely following fashion trends as well as customers' purchasing preferences, we tailor our inventory to meet the specific needs of our clientele. We solely focus on the styles, colors and fits to flatter the customers' needs as our specialty. We initially seek customers locally, but increase our reach internationally as we build our brand and secure our image.

Revons International Sdn. Bhd. recognizes the importance of marketing. And to that end, we plan to promote our business with an ambitious, targeted marketing campaign, which include a grand opening event, local media coverage, print advertising, online advertising and a direct-mail campaign.
